**Vertical light effect Lights both up and down • Extra durable material suitable for coastal areas (Designed For Seaside) •
10-year guarantee on surface deterioration**

Clarini is a wall light with a streamlined, geometric design. The light shines both up and down and through a narrow vertical opening, creating an elegant light effect. Its clean design makes it a perfect match for modern architecture. This product is part of our "Designed For Seaside" range, crafted with a unique surface treatment and paint to withstand even the harshest coastal weather conditions.
