S14d LED linear smoky grey light bulb - 1000 mm length 8W Dimmable 1900K - for S14 System

Product short description:

Tube light bulbs are a beautiful source of light that, thanks to the use of contemporary long-lasting energy-efficient LEDs, are experiencing a renaissance.

This 100 cm long S14d linear smokey grey light bulb is perfect for illuminating many types of interiors and ideal to be combined with the S14d Syntax® lamp holder.

Create special light effects by installing it on wall or pendant lamps in combination with the other LED S14d fitting bulbs available in our catalogue: play with geometric shapes by choosing among the bulbs from the Led Art line or create contemporary designs with the other linear bulbs available in 3 sizes and four finishes.

Decorative lamps.

Warning: To dim LED bulbs we strongly recommend using the latest generation of universal dimmer available on our website as either wall or inline options.

Product description:

Light bulb type: LED
Shape: linear
Fitting: S14d
Diameter: 30 mm
Length: 1000 mm
Volt: 220/240

Watt: 8W
Colour temperature: 1900 K
Lumen: 170 Lm
Adjustment: dimmable

Our bulbs with straight filament can work with all DIMMERS (TRIA or IGBT), while for curved filament bulbs, IGBT dimming is highly recommended.

For the choice of the dimmer: in addition to the maximum power of the user, the minimum power must also be considered, because when the regulated power is lower than the minimum rating, the user can "flicker" and / or be damaged
