## LED Globo G125 Smoky Floating Line 6W Dimmabile 1900K bulb

### Product short description:

Suspended light: thanks to the special and sophisticated soft filament that characterizes them, the light emitted by the Floating Line bulbs seems to float.

Available in different shapes and sizes, the Floating Line bulbs are perfect for creating a soft and atmosphere light.

The LED Globo G125 Smokey light bulb from the Floating Line will be perfect as a complement to give a bold look to a table lamp, or create a luminous composition in combination with other bulbs from the Floating Line.

### Decorative lamps.

Warning: To dim LED bulbs we strongly recommend using the latest generation of universal dimmer available on our website as either wall or inline options.

### Product description:

Bulb type: LED  
Shape: Globe  
Connection: E27  
Width: 125 mm  
Length: 165 mm  
Volt: 220/240  
Watt: 6W  
Light colour: 1900 K  
Lumen: 220 Lm

Dimmable: Yes

Our bulbs with straight filament can work with all DIMMERS (TRIA or IGBT), while for curved filament bulbs, IGBT dimming is highly recommended.

For the choice of the dimmer: in addition to the maximum power of the user, the minimum power must also be considered, because when the regulated power is lower than the minimum rating, the user can "flicker" and / or be damaged
